Application Fee	Electric Deposit	Gas Deposit	Water Deposit City Limits	Water Outside City Limits	Sewer

Services Guidelines The applicant agrees to adhere to the rules and regulations of Athens Utilities as those rules and regulations now exist or as amended by Athens Utilities and or the City of Athens as governed by the duly elected council of the City of Athens . The applicant agrees to promptly pay all charges incurred as a result of use of services provided by Athens Utilities and their agents, including cost of collection and attorney fees**.** In consideration of this mutual agreement to provide the applicant with all applicable services such as, electric power, natural gas, water and sewer services, the applicant hereby grants or agrees to grant unto Athens Utilities an easement for the construction and maintenance of power lines over, under or across any portion of the property to be served as well as any adjacent property owned by the applicant. The applicant agrees to execute any and all documents necessary to provide such easement. Athens Utilities shall maintain the right to cut any trees as deemed necessary for the protection of electrical facilities. Acceptance of services by the applicant shall constitute a contract between Athens Utilities and the applicant and said contract shall be governed by this agreement and the rules and regulations set forth by Athens Utilities.
